

## Modern Batik Workshop 2010

Valley Park Middle School and Flemingdon Health Centre are pleased to offer a modern batik art workshop for a small group of Grade 7 youth this May. Youth in this workshop will spend 4 days, Friday afternoons and Saturdays, learning the unique art form of Modern Batik art.

Batik painting is a craft that involves applying wax and dyes on fabric to produce wonderful results. Check out [www.modernbatikartworkshops.com](http://www.modernbatikartworkshops.com) to find out more about the workshop which will be led by Toronto artist David Kibuuka.

During the workshop youth will:

- Learn how to do Modern Batik art
- Meet other grade 7 students
- Have fun and be creative in a safe environment
