[An Integrated Special School]

18 June 2010

Mr. David Kibuuka,

Dear David.

NOTE OF APPRECIATION.

Greetings in the Name of our Lord. On behalf of Hill Preparatory School, we are writing to acknowledge with sincere thanks the effort put in ensuring that our school gets an opportunity of 'hands-on' training in the area of modern Batic and the art of making zoori shoes.

We have been blessed by the experience gained by the pupils and staff in the above areas and shall put it to good use. We hope to build more on this experience.

We appreciate this kind gesture, we pray to God to reward you abundantly.

God bless you.

Lukusa Kibuuka Ambrose.
